Forum

The Dr. Walter Grand Neurosurgical Forum, Inc. would like to invite you to participate in the **22nd Annual Dr. Walter Grand Neurosurgical Forum, April 15-17, 2027, at the Ponte Vedra Inn & Club in Ponte Vedra Beach, Florida**. The weekend promises to be an exciting event with speakers from institutions nationwide.

New for 2026: The exhibitor hall will be located at the back of the conference room, with refreshments and breaks held in the same space. This layout is designed to create more convenient, consistent opportunity for exhibitors to connect with neurosurgeons throughout the program.

The program will commence on **Thursday, April 15th**, with a cocktail reception followed by **Keynote Speaker Dr. Fredric B. Meyer, Mayo Clinic, Rochester, MN**.

Allegheny General Hospital designates this live activity for a maximum **AMA PRA Category 11.5 Credits TM**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Forum is expected to welcome approximately 60 neurosurgeons, including many from the Jacksonville area, as well as physicians from other regions of Florida, Pittsburgh, Buffalo, and across the country. This setting offers your representatives an excellent opportunity to meet and engage with neurosurgeons in a relaxed, collegial atmosphere.
